

## Comfort Zone Visitation (excerpt)

### OUTSIDE DRIVING

- 1... Remember the two really important tips with any form of Prayer Walking: Flexibility and Focus. Driving with the same focus and burden is even more of a challenge than outside sidewalk efforts.
- 2... Don't stop in front of anyone's house. Someone may call the police.
- 3... Use flexibility with commuting and frequent trips to the grocery, taking children to school, and gas station.
- 4... This is a perfect time to include handicapped and vision impaired folks burdened for the lost.

end of list for this step
