The Bible further teaches us about the greatest of God's gifts – SALVATION. God provided a sacrifice: a payment in full! washing away the penalty for all our sins.

We learn a real lesson by what's missing from the Bible. The Bible tells us how to use our computers, smartphones, etc in smart and safe ways. But most important, we learn who loves us just the way we are.

John 14:26-27.

“Peace I leave with you, my peace I give unto you. Let not your heart be troubled, neither let it be afraid.”

“Give unto me whatsoe'er I have said unto you, not as the world giveth, but as I unto you. Even the shape of the rocks near the shore are eroding.

What am I to do? Where am I to go? Where can I find solid truth, peace that remains, and most of all, someone that deeply loves me that I can love back?

Somehow, somewhere there must be a solid lighthouse braced against the storms, that will lead me with its bright light. But where should I look for it? Will I recognize it?

God has provided a powerful easy to find lighthouse to guide on.

**But it's not a lighthouse for the eyes, but a beacon for the heart. It's God's precious word - our Bible.**
